

Summer Course July, 2015

What is summer course at IJ like?

We provide **2 types** of courses in 2015. Please choose one as your preference.

Course A:
Japanese lessons + sightseeing

Course B:
Japanese lessons + culture

You will join the **Japanese classes** in the morning, and go to **must-visit places** and have **cultural experiences** in the afternoon and weekends. You can never have the same experiences without IJ!

The classes are **rich nationalities**. You will make friends from all over the world.

With spending one month together, you will gain not only Japanese abilities but also strong bond and **international-mind**.

IJ is located very convenient area, within walking distance from **AKIHABARA**.

Do not worry about your Japanese. School staff will **support** your time in Japan.

The course starts on your arrival! We offer you **pick-up service** at the airport.
